CONDITIONS FOR STATE TEAM SELECTION

Only SCWA members are eligible for State team selection and Aggregate Championships. In 2023 the State will be running 5 State Qualifiers and you must compete in a minimum of 4 out of the 5 State Qualifiers plus the State 2 Day Championships to be held at Hastings on the 26th and 27th August to qualify.

From your scores you receive points each time you participate at a State Qualifier. Your top 4 State Qualifier percentages and results from the 2 day championships are entered into the leaderboard program where the winners are decided.

The 2023 State Aggregate Championships for all Grades and Divisions are calculated based on these percentages.

If you are a category member (Lady, Junior, Senior, Vet) you must decide what you will compete in at the start of the year either Category or Grade. The Top 10 best WA shooters and State Team selection comprises of 4 Open, 1 Lady, 1 Senior and 1 Junior are announced.

Handicap books are no longer in use. All clubs throughout Australia are required to use the SCA Live scores shoot program and scores will be uploaded into the SCA database and your handicap is kept up to date via this system. You can check your handicap using your smart phone or internet. Go to www.scalivescores.com.au

SCA LIVE SCORES

This is the John MacKenzie shoot nomination program used for all SCA competitions. All SCA Clubs are welcome to use this program for *FREE* and training is always available and full support.

The SCA LIVE SCORES web site is full of great helpful information on how to get started and you can even run test shoots to practice before the big day. Lots of helpful notes and video tutorials to make it easy for you. It has been designed to be as easy as 1.2.3.

Ken Green is the Trainer for WA if you need any tuition and training available one on one.

SCWA need all clubs to be using the program, so accurate grading is recorded on the SCA Live Scores database.

SCA have now phased out handicap books. All scores will be recorded in the SCA Live Scores website and handicaps automatically calculated. Members can check their scores and handicap / grades anytime.
