**INSTA-MOLD CUSTOM FITTED  
HEARING PROTECTION**

## Hearing Protection for Sporting Shooters

Protec Hearing earplugs have been used for recreational shooters and hunters for over 20 years providing an excellent solution for people looking for the best protection against loud noise levels such as gun blasts. If you're looking for an excellent cost effective solution in protecting your hearing look no further than our Custom fitted earplugs as they continue to be recognized worldwide as the leader in proven hearing protection. Our Custom fitted earplugs provide you with the ultimate in comfort and satisfaction as they are custom made to your ear. Remaining flexible and soft throughout their lifetime, our Custom fitted earplugs will provide many years of use.

*We also distribute PELTOR earmuff and NYX Sport shooting glasses*

CENS Mino Digital

### **Exclusive Distributor for CENS Digital electronic hearing protectors**

Evolution in gunshot hearing protection continues with the CENS® electronic modules. Combined with unique multi-softness custom fit earpieces or our Insta-Mold on the spot material. This new unique design combines superb functionality with an eye catching appearance and this latest development leads the trend towards comfortable custom noise suppression for today's shooter.
